

Honeywell Home Training Seminar

Learn to Program the VISTA-128BPT Control Panel & 6160RF Keypad

Participants are recommended to bring or purchase a VISTA-128BPT control panel and compatible keypad to take advantage of the hands-on training experience. Ask any sale representative for details.

Join ADI for this valuable technical training seminar. The VISTA-128BPT control panel is a powerful member of the Honeywell line of commercial alarm panels, integrating burglary, CCTV and access control functions. Many features are available that extend the applications of the VISTA-128BPT while simplifying end-user operation. The VISTA-128BPT is listed for residential burglary, residential fire and commercial burglary applications and is compatible with a wide range of AlarmNET communications products for alarm reporting, uploading / downloading and remote services.
